Dear Judges

I hope that you will be aware that the new EU General Data Protection Regulations (GDPR) have been updated from the original Data Protection Act 1998 (DPA). They will apply in the UK from 25 May 2018 and will replace the DPA.

What are the main changes from the DPA to the GDPR? How will they affect The Eastern St. Bernard Club?

The main changes that affect us are the requirements relating to consent and accountability. The Kennel Club has outlined how Breed Clubs/Councils can meet the requirements.

We do NOT use data for marketing purposes and all details of our judges are held securely purely for judging list purposes. However, we need to gain consent from our judges to obtain, retain and use their personal information in our Club judges database/website and Facebook pages where judges lists are displayed. We need evidence that we are complying with the principles of data protection which includes evidencing that judges provided consent.

Please read the Privacy Statement below before giving consent for your data to be held by The Eastern St Bernard Club.

Please tick the box below to give us permission to use the information you have supplied on your judges list application form (please also add your name in full so we have a record of who has replied and consented).

- To store your name, postal address, telephone number, and email address securely solely for judging list purposes.
- To communicate with you as a judge, to send you judging information and anything related and email messages relating solely to Breed Council business.

_____ I consent to my data being used for judges list purposes as detailed above.

In future this tick box will be included on annual judges application forms.

Please either print this form and return by post or reply by email.

Please print off the latest judges application form and complete and send this to us even if you are not applying to be moved up the lists.

Many thanks
The Eastern St. Bernard Club
